

BANKING ON SAFETY

Our Protective Measures for COVID-19.

- Each branch will have a capacity limit that will be posted at the building entrance.
- Franklin Bank employees, customers, and any other persons entering the branch, must properly wear a face mask.
- A sign in sheet will be maintained for the purpose of contact tracing.
- All persons entering the branch must abide by the social distancing markers and maintain a distance of 6 ft from others.
- Hand sanitizer is readily available at all Franklin Bank locations.
- We have installed protective shields at teller stations and platform desks.
- All of our branches are thoroughly cleaned and sanitized according to CDC guidelines.
- Franklin Bank business travel has been currently suspended.
- To reduce the risk of exposure we encourage customers to use our many alternative banking methods such as drive-up facilities, online banking, mobile banking, ATMs and telephone banking.
